I WANT

Research study and F5

TAKE

Full pathway to Post Master

21 months NPR 97,000

STEP 10

More Than a Language Class

Language, exam training, counselling and paperwork handled under one roof.

Korean Language

Basic I through Post Master, TOPIK and EPS-TOPIK preparation.

Japanese Language

JLPT-track classes for students choosing the Japan route.

EPS-TOPIK Training

Dedicated EPS_HRD material and full exam practice.

Study Abroad Counselling

University selection, Korean Track guidance and applications.

Visa Guidance

D2, D4, E7, E9, F2 and F5 documentation support.

Document Preparation

Translation, attestation and application file assembly.

Interview Practice

Mock interviews in Korean for visa and employer screening.

STEP 11

What Every Level Includes

Certified instruction

Every class led by an Embassy-certified Korean teacher.

Books included

Student and work books are part of the course fee.

Progress testing

Level tests decide readiness before you move up.

Counselling access

Visa and university counselling at no extra charge.

Teaching pathway

Top graduates are hired to teach lower levels here.

Package savings

Bundle levels and save up to 25% on total fees.
